At the beginning of the day

There are lots of fun activities when you come to Allithwaite C of E Primary School! Each day, we check to see who is at school—we have a special board that you can use to show that you have arrived. Your special adults can help you with this too.

When you come inside, you need to hang up your coat on your special coat peg—look for your name label. You can put away your book bag and drink bottle too. If you're having a packed lunch, you can put your lunch bag away too.

We have lots of things to play with every day! We also have a special outdoor area with lots of toys including bikes, scooters, bats, balls, skipping ropes and a mud kitchen! Inside we have lots of toys too—we have lots of construction toys, toy dinosaurs, cars and animals, dolls, playdough, dressing up clothes, fames
