

Future Plan for Sports Premium 2016-2017

Impact for Sports Premium 2016-2017

Allithwaite C of E School

School Sports Premium

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

From September 2017 until 2020 Primary schools in England are going to share an extra £160m per year sports funding with the top up being taken from the sugar tax levy meaning the total investment set aside to 2020 will amount to £320m a year.

For 2016-17, Primary schools with 17 or more pupils will continue to receive £8,000 in PE and Sport Premium funding, plus £5 per pupil. Schools with 16 or fewer pupils will receive £500 per pupil. Sport will play a key role in promoting good health, mental wellbeing and building confidence as well as giving children a sense of achievement.

The sport funding can only be spent on sport and PE provision in schools. OFSTED will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary phase.

Purpose of Funding

The premium should be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2016 to 2017 academic year, to encourage the development of healthy, active lifestyles.

Summary

We have established a very successful and positive partnership with our local primary and secondary schools as part of our local cluster. We continue to work as a cluster to employ a local secondary teacher to promote a range of provision in the locality including:

- Staff training
- To organise and Intra cluster competitions
- Whole cluster events (such as the Olympics of 2016)
- Participation in School Games events with a School Games Co-ordinator leading the events locally and county wide.

In order to provide a balanced and progressive PE curriculum we have invested in the Lancashire Scheme of work. This scheme will provide both specialist and non-specialist teachers the opportunity to provide differentiated lessons building on the skills developed from Reception to Year 6. There are opportunities within the scheme to make initial baseline assessments and end of unit outcomes to be completed by the children. This will enable the staff as a whole to monitor and assess the progression of skills throughout the school.

In addition to this school staff have access to additional training from qualified sports coaches. On a weekly basis staff accessed this through the provision of two external sports coaches, delivering and modelling good practise across a range of competitive sports to enable increased participation in School Games events.

We continue to offer additional out of school sports clubs, through the use of the sports coaches, to both Key Stages One and Two.

We continue to emphasise the importance of swimming both indoor and outdoor and we continue to offer Lower Key Stage 2 an opportunity to swim for one term in order that children achieve the expected standard of 25m at the end of the Key Stage. Together with this distance award, children are also given the opportunity to achieve a Water Safety and National Curriculum Award.

Our Strategy for the future:

Staff development and coaching – staff training and assessment using the Lancashire Scheme of work.

Improve sports equipment and ensure resources are of high quality

Local cluster joint staff training to encourage children to take up new sports

Increased provision of out of school clubs

Increased opportunity for children to compete in School Games events and local cluster competitions

Improve provision for SEN pupils – attendance at competitions and events.

Motivate children to participate in sport and develop healthy lifestyles through inspirational whole school events

Forecast of Sports Premium Funding for the Year September 2016 – September 2017

Amount of Grant Received September 2016 – March 2017 £4894.00 (7/12ths)

Amount of Grant Received May 2017 - Sept 2017 £3496.00 (5/12ths)

TOTAL FOR ACADEMIC YEAR 2016/2017 = £8390.00

Primary PE and Sport Premium Key Outcome Indicator	School strategy	Actions	Allocation	Impact
Whole school outdoor learning day	To encourage pupils to experience and enjoy the outdoors and promote outdoor learning as a whole school. Promote teamwork and encourage children to work together in teams. Promote challenge and	Organise a whole school outdoor learning day to Castle Head Field studies centre.	£1000.00	
Reward for achievement in house teams and individually.	Promote competitiveness and teamwork (house teams).	Purchase house team trophies and medals for Sports Day.	£145.00	
Participation rates in out of school activities. Promote healthy lifestyles and new skills for life. Enjoyment of sport.	Increased provision of out of school clubs	2 x sports coaches employed to offer weekly KS1 and KS2 clubs	£2100.00	
High quality coaching and greater participation in School Games competitions. Staff development – teachers and teaching	Increased opportunity for children to compete against children from the local cluster schools in Level 1 and 2 competitions.	2 x sports coaches employed to teach alongside class teachers on a weekly basis. Plan and monitor children's performance. Preparation for sports competitions.	(see above)	

assistants working with coaches.	Staff development and coaching.			
Ensure the progression of skills and competencies in PE.	Enable children to receive a broad and balance curriculum in PE to ensure progression of skills across the whole school.	<p>Purchase the Lancashire Scheme of Work for PE.</p> <p>Provide staff with copies of the scheme.</p> <p>Provide INSET for all teachers and give coaches medium term plans.</p> <p>Refresh the long term plan for PE.</p>	£240.00 + supply cover for CPD	
Participation in Schools Games competitions and other local cluster schools competitions.	Increased opportunity for children to compete against children from the local cluster schools in Level 1 and 2 competitions.	Secondary PE teacher employed to lead and organise regular competitive sport events	£800.00	
Improve sports equipment provision	Sustainable and high quality PE equipment across the whole school.	<p>To purchase a range of equipment to enable children to participate in a wide range of sports.</p> <p>To replace existing gymnastics benches and tables.</p>	£TBC	
Improve sports equipment provision with high quality resources.	High quality resources and kit for children to take part in Level 2 and Level 3 games.	<p>To purchase football kit: upper and lower KS2,</p> <p>Competition sports kit for teams (KS1, KS2)</p>	£	Children have high quality kit at competitions.

Primary PE and Sport Premium Key Outcome Indicator	School strategy	Actions	Allocation	Impact
Increase the variety and range of sporting opportunities	Motivate children through inspirational and unique events and activities.	<p>Introduce a Judo club into school to enable the children to experience a martial art.</p> <p>Introduce badminton at Lower KS2.</p>	£TBC	
Increase the range of outdoor sports	Motivate children to take part in outdoor sports such as climbing, orienteering.	<p>Organise local orienteering in Cartmel Woods. Buy maps.</p> <p>Inset led by Orienteering coach.</p>	£TBC
