

Evidencing the
Impact for Sports Premium 2017-2018

Allithwaite C of E School

School Sports Premium

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

From September 2017 until 2020 Primary schools in England are going to share an extra £160m per year sports funding with the top up being taken from the sugar tax levy meaning the total investment set aside to 2020 will amount to £320m a year.

Primary schools with 17 or more pupils will continue to receive £16,000 in PE and Sport Premium funding, plus £10 per pupil. Schools with 16 or fewer pupils will receive £1000 per pupil. Sport will play a key role in promoting good health, mental wellbeing and building confidence as well as giving children a sense of achievement.

The sport funding can only be spent on sport and PE provision in schools. OFSTED will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary phase.

Purpose of Funding

The premium should be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2017 to 2018 academic year, to encourage the development of healthy, active lifestyles.

Summary

We have established a very successful and positive partnership with our local primary and secondary schools as part of our local cluster. We continue to work as a cluster to employ a local secondary teacher to promote a range of provision in the locality including:

- Staff training
- To organise and Intra cluster competitions
- To offer children a wide range of sporting and outdoor pursuits opportunities throughout the primary phase.
- Participation in School Games events with a School Games Co-ordinator leading the events locally and county wide.
- To provide a wide range of after school events and clubs in school.
- To enable the children to engage in challenging activities as a whole school

Allithwaite School staff work alongside sports coaches to help them develop their own skills in coaching and teaching a range of sports. Opportunities for additional coaching are offered by On a weekly basis staff accessed this through the provision of two external sports coaches, delivering and modelling good practise across a range of competitive sports to enable increased participation in School Games events.

We continue to offer additional out of school sports clubs, through the use of the sports coaches, to both Key Stages One and Two.

We continue to emphasise the importance of swimming both indoor and outdoor and we continue to offer Lower Key Stage 2 an opportunity to swim for one term in order that children achieve the expected standard of 25m at the end of the Key Stage. Together with this distance award, children are also given the opportunity to achieve a Water Safety and National Curriculum Award.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Our Strategy for the future:

Sustainability	Opportunity	Inclusion	Health and Lifestyle	Participation
----------------	-------------	-----------	----------------------	---------------

To provide staff development and coaching – staff continue to work alongside coaches to provide high quality PE lessons and coaching.

To continually improve sports equipment and provide high quality equipment.

To provide staff development to become play leaders and provide high quality resources to develop healthy and active playtimes.

To give the children opportunity to experience a range of sports and activities in the outdoor environment.

To give the children an opportunity to use high quality sports and leisure facilities off site

To Increase provision and range of out of school clubs for all children in KS1 and KS2.

To motivate and encourage children to participate in sport and develop healthy lifestyles through inspirational whole school events.

To enable children to be actively engaged at playtimes and lunchtimes in games and sporting activities led by midday staff.

To provide a fully inclusive PE curriculum. To enable all children to actively participate in all sporting activities and offer a range of accessible sports to all pupils.

To work with the local secondary school provide opportunities for children to participate in local cluster inter-school competitions and tournaments (Level 1)

To provide opportunities increased participation in Level 2 competitions and after school clubs

Key achievements to date	Sustainability and suggested next steps
<p>All Year 6 children achieving 25m swimming in open water.</p> <p>Children taking part in new sport – Tri-Golf.</p> <p>Children gaining confidence in running/cross country through after school sports club.</p> <p>Key Steps 1 gymnastics team attended Level 2 competition.</p> <p>Active lunchtimes initiative.</p> <p>Outdoor and Adventurous activity residential visit for Year 3 and 4.</p> <p>Sports board in school to celebrate sporting achievement and participation throughout school.</p> <p>Open Water Swimming qualification achieved – Level 1, 2 and 3 to enable children to take part in outdoor swimming activities.</p> <p>KS2 children participating in a wide variety of sporting activities at Ulverston Leisure Centre.</p> <p>Children been given an opportunity to compete against schools outside the Cluster to experience challenge and competition at higher levels.</p> <p>Children in Year 5 and 6 taking part in Bikeability training and assessment.</p> <p>Whole school outdoor adventure and challenge day at Castle Head FSC.</p> <p>Year 5 and 6 to take part in Dance Platform performance and work with Dance Attik coach.</p>	<p>Opportunities for Key Stage 1 and Early Years to participate in new sports and activities.</p> <p>For teachers to work alongside coaches to support the teaching of new sports and develop their own coaching skills.</p> <p>To engage KS1 children in competitive sports with intra schools competitions.</p> <p>To embed the healthy lunchtimes initiative in whole school approach to healthy living and lifestyles.</p> <p>To provide children in KS1 and Early Years with activities to encourage development of gross motor skills, balance, core strength and confidence.</p> <p>To continue to coach and participate in Key Steps gymnastics competitions (Yrs 1,2,3,4,5 and 6).</p> <p>To offer a wide range of after school clubs with coaching.</p> <p>To introduce new sports into KS2 curriculum (rugby, orienteering) and after school clubs.</p> <p>To offer taster sessions for children to take part in new activities and sports at KS2 (archery).</p> <p>To continue to engage and challenge children in an outdoor environment and to learn new skills and develop individual and team skills (Tower Wood).</p>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	100%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	100%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes.

Academic Year: 2017/18		Total fund allocated: £16,670 £9724+£6946		Date Updated: September 2018	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation: 24%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:	
Introduce active lunch times to encourage children to engage in activities during lunch times.	Offer a variety of activities for all children to participate in during lunchtimes.	£3500	Children have boxes of activities to use at lunchtime. Children are responsible for maintaining these.	To embed healthy lunchtimes activities.	
Dinner staff to lead and manage the active lunchtimes games and rotation.	Provide a wide variety of equipment to engage children in activities during lunchtimes.	£220	Staff to lead and engage in the activities alongside the children.	To encourage children to participate in healthy lunchtime activities.	
Deliver INSET to mid-day supervisors in order that they can lead the active lunchtimes.	Zone the playground to give children opportunities to engage in different activities ie bouncy hoppers, skipping, bat and ball.	£225	Children are active during lunchtimes. Children develop leadership skills and coaching skills.	To continue to provide a range of equipment to engage children and promote health and fitness at lunchtimes.	
		£3945 total			
Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement					Percentage of total allocation: 16%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:	
KS2 children to engage in an afternoon of PE at Ulverston Leisure Centre. Hire of facilities and coaches.	To enable the children to actively participate in a variety of PE activities for 1.5 hours per week (off site).	£850	Children in KS2 participated in competitive games of football, netball or swimming.	Continue to offer a wide range of sports and after school clubs for children to promote healthy lifestyles and fitness.	
All pupils to receive high quality coaching and teachers to acquire necessary coaching skills to attend High 5 netball and 5 aside Level 1 competitions in Cartmel Cluster	To enable children to access high quality PE equipment and sports facilities.	£1,800	All KS2 children actively engaged in sport for 1.5 hours per week during this session.		
		£2650 total			

Year 5/6 being coached at Ulverston alongside teacher on 3G pitch.

Year 5/6 – one group being coached for five a side football and other group being coached for High 5 netball (not pictured).

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				19%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Teachers to work alongside coaches from GLL in Ulverston.	Teachers gain confidence and skills to teach specific coaching skills in different sports.	£255	Children entering and winning competitions in High 5 netball to participate in Level 2 competition.	Continue to work with GLL coaches to increase participation in a range of sports and to provide expertise in coaching.
Teachers engaged in coaching netball, football and swimming.
