

Summer 1 2022

Welcome back!

I hope you have had a fabulous Easter break. It was so wonderful to welcome the children back last week and they have settled in really well. This half term, we welcome Mollie and Jenson to our Nursery!

Castles, knights, dragons and princesses!

Castles, knights, dragons and princesses is our topic for the next half term. I have discussed with the children what they would like to learn about this topic and they have lots of wonderful ideas! Last week, we discovered a rather large egg in our class – it was too big to be an ostrich egg but what could it be? The children had a lot of ideas and we had a great discussion about it. Next week, we shall be delving into one of our favourite books, Zog!

School Shoes

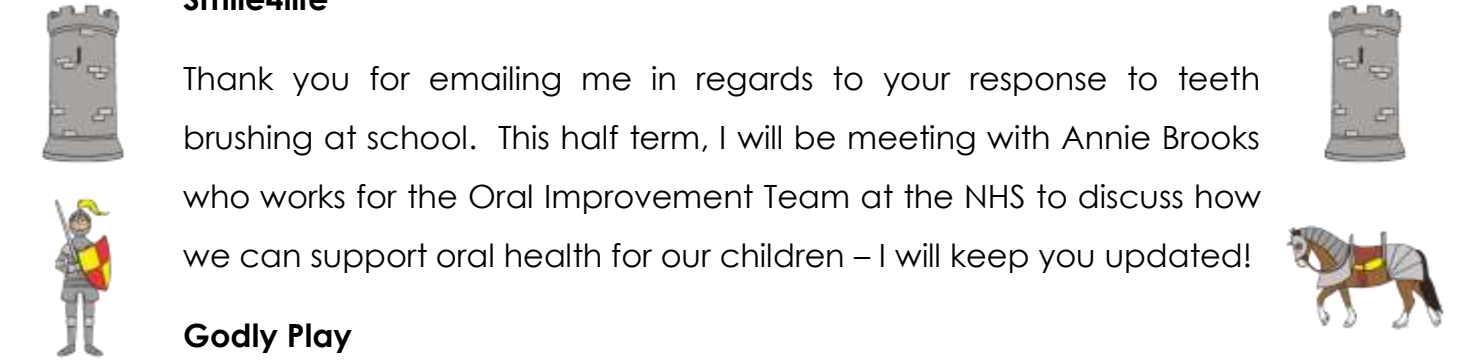

We understand that at this time of year, school shoes may be getting a bit tight. If they are, please send your child in something else so their feet are comfortable during the day. We do request **no** 'open toe' sandals, thank you.

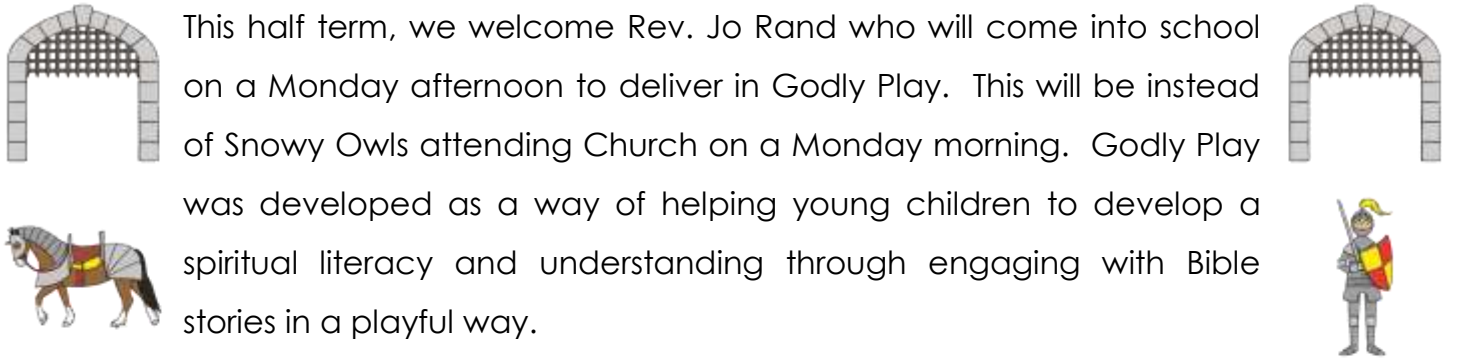

Smile4life

Thank you for emailing me in regards to your response to teeth brushing at school. This half term, I will be meeting with Annie Brooks who works for the Oral Improvement Team at the NHS to discuss how we can support oral health for our children – I will keep you updated!

Godly Play

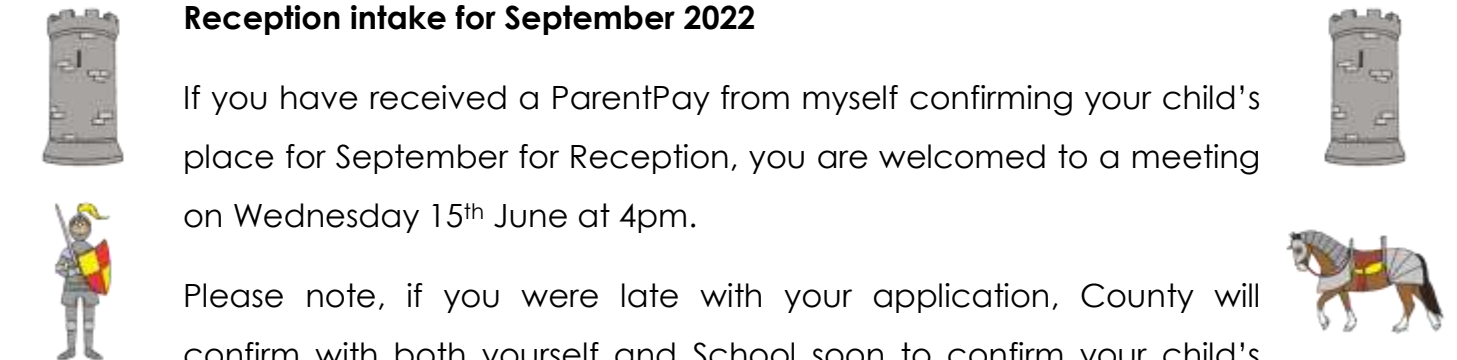

This half term, we welcome Rev. Jo Rand who will come into school on a Monday afternoon to deliver in Godly Play. This will be instead of Snowy Owls attending Church on a Monday morning. Godly Play was developed as a way of helping young children to develop a spiritual literacy and understanding through engaging with Bible stories in a playful way.

Reception intake for September 2022

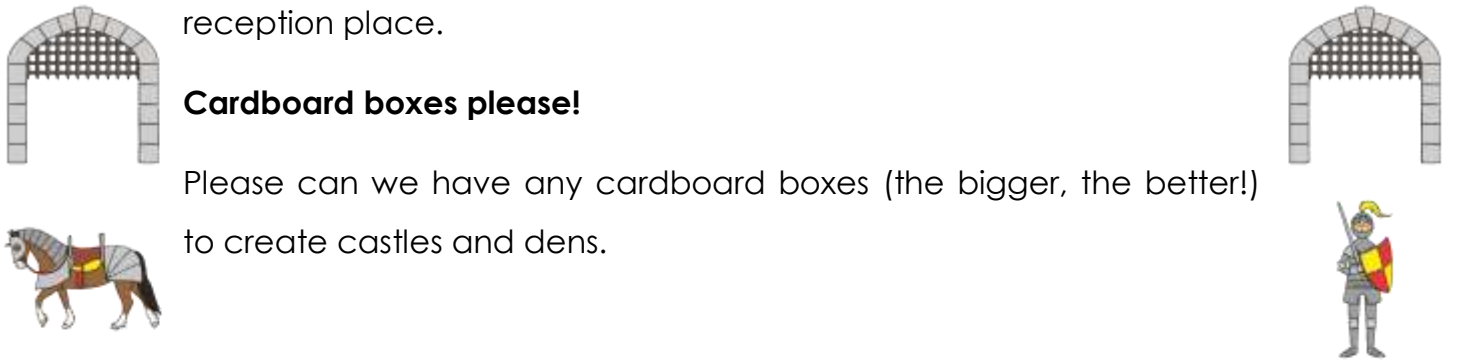

If you have received a ParentPay from myself confirming your child's place for September for Reception, you are welcomed to a meeting on Wednesday 15th June at 4pm.

Please note, if you were late with your application, County will confirm with both yourself and School soon to confirm your child's reception place.

Cardboard boxes please!

Please can we have any cardboard boxes (the bigger, the better!) to create castles and dens.

Dates for your diary

- School photos: Monday 16th May
- Father's Day activity – Wednesday 15th June 1:30pm
- New Reception meeting – Wednesday 15th June 4pm

Communication

As always, email me if you have any questions or queries at snowyowls@allithwaite.cumbria.sch.uk or you can speak to a member of staff.
