

Mathematics

We are using the Pearson scheme 'Power Maths' which incorporates the Mastery skills expected to be taught as part of our current curriculum.

Year 5

Place value within 100,000

Addition and subtraction Place value within 1,000,000

Addition and subtraction

Year 6

Place value within 10,000,000

The four Number operations; addition, subtraction, multiplication and division

Time may be spent revisiting the previous year group objectives and some children may form intervention groups if it is felt necessary that they need to revisit skills missed during lock down.

English

This term we will be looking at the books 'How to Live Forever' by author Colin Thompson and 'Harry Potter' by author JK Rowling.

Through our writing this term, children will explore and experiment with using a variety of synonyms and antonyms to enhance their descriptive writing.

We will be writing descriptive passages and explore re-writing chapters from Harry Potter in the style of JK Rowling.

We will also use our descriptive vocabulary to write poetry using personification.
