

Welcome back! We hope you have had a lovely and restful half term!

This half term, we shall be learning about Space as well as have our Christmas activities including the Christmas Play which you are all invited to! The date is Friday 10th December at 2pm and 6pm and the play will be shown in the Church. Information regarding tickets will be released soon.

Tell and Tell

You have heard of show and tell, welcome to tell and tell! You will receive a slip when it is your child's turn for 'tell and tell', please email a picture of what your child would like to tell the class by the day before at the latest to: snowyowls@allithwaite.cumbria.sch.uk so we can put the picture on the large projector for everyone to see.

Family photo

In my previous newsletter, we requested a family photo to be emailed in so we could print it off and place it in the home corner. We have received four, please could you email a photo to

snowyowls@allithwaite.cumbria.sch.uk as soon as possible so we can put these up for your child to see.

Reception reading

In order to achieve the reading at home 5 times a week, your child needs to be reading to you their book from school and not the other way around. Your child will need to read a minimum of two pages as some pages only have two words on them.

Story time and stars!

On Monday 6th December, we would like to invite your child to a 'story time and stars' afterschool session! The session will start straight after school and will finish at 4:30pm where we will (hopefully!!) see the stars and have a range of space stories. If you would like your child to come, please email me at: snowyowls@allithwaite.cumbria.sch.uk to reserve your child's space.
