

Physical Development

- I will be having PE lessons in the hall!
- I will be using tools safely.
- I will learn how to keep healthy and safe in space.
- I will move in a range of ways, including moving as if in space and rocket pathways!
- I will use a range of tools to make rockets, space buggies, aliens etc.
- I will dance in a range of movements inspired by space.
- Daily dough disco!

Understanding the World

- I will gain knowledge about Space travel and the universe including:
 - ⇒ gravity changes
 - ⇒ hot and cold
 - ⇒ fire and ice
 - ⇒ Magnetism
 - ⇒ floating and sinking
- I learn about people who have travelled in space and what life is like on the moon.
- I will learn about the different planets.
- Talk about the different seasons and how the weather is changing.

Parents Evening, Tapestry accounts, Christmas Production, Christmas Carols,

Maths

White Rose Maths & Power Maths

- I will continue to learn about 2D and 3D shapes including their properties
- I will find one more and one less than a number within 5, and demonstrate this using a five frame and cubes
- I will tell first, then, now stories to express one more or one less
- I will use the vocabulary one less and one more in the correct context

Personal, Social & Emotional Development

- I will recognise that I have things in common with others and celebrate what makes each person unique. I will use my speaking and listening skills to learn about the lives of my friends.
- I will learn the importance of showing care and kindness towards others, listening to and respecting their ideas.
- I will demonstrate skills in building friendships and cooperation.
- I will describe my own positive attributes, sharing my likes and dislikes.

Space & Christmas

Please note, this plan is subject to change due to the children's interests and implementing the in the Moment Planning, The Curiosity Approach, Hygge and Learning through nature approach.

Expressive Arts & Design

- We will be exploring a range of songs, make music and dance linked to Space
- I will use range of materials, tools, techniques.
- I will experiment with colour, design, texture, form and function.
- I will have the opportunity to create rockets, planets, lunar buggies, aliens etc.
- I will create a Diva out of clay

Literacy

- I will continue to learn how to write my name including my surname.
- I will use my phonic knowledge to decode words and demonstrate knowledge of what I have read.
- I will use my phonic knowledge to write words
- I will be scribing/writing about space and Christmas (including a letter to Father Christmas!)
- I will be learning to blend sounds together to make simple words.
- I will continue to learn different aspects of Phase One Phonics as well as Phase 2 sounds (and Phase 3 for those already on this phase).
- I will begin to write simple sentences which can be read by themselves and others. I will spell some words correctly and others phonetically plausible.

Enrichment moments

Guy Fawkes / Bonfire Night, Christmas Time, Christmas Nativity, Diwali, Hannukah, Remembrance day, Road Safety, Stories by the Fireside, firepit, singing carols to a large audience

Communication and Language

- I will begin to do 'show & show' at school
- I will continue to listen to a range of stories where I will listen in range of situations, anticipate key events, respond appropriately, ask how and why questions.
- I will follow instructions and use past, present and future tense.
- Some of the many books we will be exploring:
 - ⇒ The smeds and the Smoos
 - ⇒ Roaring Rackets
 - ⇒ Whatever Next!
 - ⇒ Bob who lives on the moon
 - ⇒ How to catch a star
 - ⇒ Aliens love panta claus!
